Bidder agrees to accept a notice of award, if selected, based on the terms of this Bid in the event that a notification of award is received on or before expiration of the 90-day time period. The Library District reserves the right to cancel the Bid at any time, without liability for any loss, damage, cost or expense incurred or suffered by any Bidder as a result of that cancellation. Each Bidder is solely responsible for the risk and cost of preparing and submitting a Bid.
- b. Although price is a major consideration, product quality, references, service, delivery time and past experience, if applicable, will also be considered. No Bid will be considered unless the Bidder shall furnish evidence satisfactory to the Library District that it has the necessary facilities, abilities, experience, equipment, and financial and physical resources available to fulfill the conditions of the contract and execute the Work should the contract be awarded to him. Bid documents which are not responsive to the requirements herein may not be considered by the Library District for an award of the contract.

The contract will be awarded to the lowest responsible Bidder. In determining the responsibility of any Bidder, the Library District may take into account other factors in addition to financial responsibility, such as past records of its or other entities transactions with the Bidder, experience, ability to work cooperatively with the Library District and its staff, adequacy of equipment, ability to complete performance within necessary time limits, and other pertinent considerations such as, but not limited to, reliability, reputation, competency, skill, efficiency, facilities and resources. The Bid will be awarded in the Library District's best interests based on these and other legally-allowable considerations. The Library District and its

representatives and agents may make any investigations deemed necessary to determine the ability of the Bidder to perform the Work. The Bidder shall furnish any information and data requested by the Library District for this purpose. Prior to award, the Bidder may be required to attend a post-Bid meeting at the Library District's office or the Work site.

Following withdrawal or modification of its Bid, Bidder may submit a new Bid, provided it is received by the Library District prior to the bid due date. No Bid will be opened which is received after the time and date scheduled for the Bids to be received.

05. BID DEPOSIT

Each Bidder shall deposit with his Bid a Bid guarantee consisting of a bank draft, Bid bond, cashier's check, or certified check drawn on a good and solvent National or State Bank and payable to the order of the Palatine Public Library District, in an amount not less than 10 percent of the total amount of the Bid submitted, as a guaranty that in case the Bidder's Bid is accepted, the Bidder shall within one day after the date of such acceptance and notification thereof, deliver to the Library District a contract signed and executed by the contractor, proper insurance certificates and a Performance and Payment Bond in one hundred percent of the contract sum furnished by a responsible bonding company acceptable

to and written upon forms prepared or approved by the Library District as security for payment of labor and materials and for the faithful performance of the contract and compliance with the provisions of law relating to the payment of prevailing rate of wages. The Bid deposit of the successful Bidder will be retained until the equipment, goods or services have been received or completed and found to be in compliance with the specifications. Performance by the Bidder shall not be considered complete, until final inspection and acceptance by the Library District of the Bidder's Work. Final inspection shall occur within 30 days after the actual completion of the Work. Execution of the contract is contingent upon receipt of an acceptable Performance and Payment Bond and any required certificates of insurance. Upon failure to meet the requirements of this paragraph, the Bidder shall forfeit the amount deposited as liquidated damages and no mistakes or errors on the part of the Bidder shall excuse the Bidder or entitle him to a return of the aforementioned amount.

06. BOND AND INSURANCE

The Bidder awarded the contract will be required to furnish a Performance and Payment Bond in the amount of one hundred percent (100%) of the full contract price, Public Liability Insurance, and Workers Compensation Insurance; all of which shall be acceptable to the Palatine Public Library District. 08. INVESTIGATION

The Project work site will be open to view by appointment. All prospective Bidders are encouraged to visit the site to acquaint themselves with local conditions, access, scope of work, etc. It shall be the responsibility of the Bidders to make any and all investigations necessary to become thoroughly informed of what is required and specified in the Bid. No plea of ignorance by the Bidders of conditions that exist or may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examinations and investigations will be accepted as a basis for varying the requirements of the Library District of the compensation to the Bidder.

Each Bidder submitting a Bid is responsible for examining the complete Bid Package and all Addenda, and is also responsible for informing itself of all conditions that might in any way effect the cost or the performance of any Work. Failure to do so will be at the sole risk of the Bidder, and no relief will be given for errors or omissions by the Bidder. It is the Bidder's responsibility to completely inspect premises prior to submitting Bids to determine all requirements associated with the Work. Failure to do so will in no way relieve the successful Bidder from the necessity of providing, without additional costs to the Library District, all necessary services that may be required to carry out the terms of the resulting

contract. The Bidder must visit the Site of the proposed Work and fully inform himself as to the facilities involved, the difficulty and restrictions concerning the performance of the contract. No additional compensation will be authorized for a Bidder's failure to be fully informed of the existing conditions. If awarded the contract, the Bidder will not be allowed any extra compensation by reason of any matter or thing concerning which such Bidder should have fully informed himself, because of his failure to have so informed himself prior to the bidding. The submission of a Bid shall be construed as conclusive evidence that the Bidder has made such examination as is required in this section and that the Bidder is conversant with local facilities and difficulties, the requirements of the Bid Package documents, and of pertinent, local, state and federal laws and codes, prevailing local labor and material markets, and has made due allowance in its Bid for all contingencies.

However, if the Bidder modifies limits, restricts or subjects his Bid proposal to conditions that would change the requirements of the General and Special Conditions and Specifications, this would be considered a conditional or qualified Bid proposal and will not be accepted. The Library District reserves the right to delete any Bid item listed in the Bid.

- A. This contract calls for the construction of a “public work,” within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (“the Act”). The Contractor is required to pay wage rates in accordance with the Illinois Prevailing Wage Act. The Owner has adopted the prevailing wages as determined by the Illinois Department of Labor (“IDOL”) for Cook County effective September 1, 2017 as revised. A copy of the current prevailing wage rate is included herein. Such prevailing wage rates establish the minimum wages, overtime rate and fringe benefits to be paid by the Contractor and any subcontractors to all laborers, workers, mechanics, and owner/operators employed under this contract. The prevailing rates of wages are revised by the IDOL and are available on the IDOL website, www.state.il.us/agency/idol and should be found at the following link: <https://www.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx>. In the event that the IDOL should revise the prevailing rate of wages, then these revised rates shall apply to the contract. In no case shall any revision in the rates of prevailing wages result in an increase in the total contract price.
- B. Contractor shall follow all State, County, Village or by any public body provisions for prevailing wages. Contractors shall submit two forms of Certification of Monthly Payroll with each monthly pay request.
 - 1. Certification of Monthly Payroll (record copy) will include name, address, phone, Social Security number, classification, hourly wages paid in each pay period, number of hours worked each day and starting and ending time of each day for each identified worker.
 - 2. Certification of Monthly Payroll (public information copy) will include name, classification, hourly wages paid in each pay period, number of hours worked each day and starting and ending time of each day for each identified worker (Note: No Social Security number and address of employees). This submission would be maintained by the Owner for five years and be provided upon receipt of a Freedom of Information Act request concerning labor at those sites during the period which contractors and subcontractors are employed at those sites.

28. PATENTED DEVICES, MATERIALS, AND PROCESSES

It is mutually understood and agreed that without exception contract prices are to include all royalties and costs arising in the Work. It is the intent that whenever the Bidder is required or desires to use any design, device, material, or process covered by letters or patent or

copyright, the right of such use shall be provided for by suitable legal agreement with the patent owner. The Bidder in all cases shall indemnify and save harmless the Library District from any and all claims for infringement by reason of the use of any such patent design, device, materials, or process, to be performed or used under the contract, and shall indemnify and save harmless the said Library District for any costs, expenses, attorney's fees, and damages which it may be obligated to pay, by reason of any such infringement at any time during the prosecution or after the completion of the Work.

29. RESPONSIBILITY FOR DAMAGE CLAIMS

The successful Bidder shall provide all insurance necessary to protect and save harmless the Palatine Public Library District and its employees as set forth in the General and Special Conditions and Specifications. Said insurance shall include contractual liability equal to the following indemnification and hold harmless agreement:

"The Bidder agrees to indemnify and save harmless the Palatine Public Library District, their agents and employees from and against all loss and expenses (including costs and attorneys' fees) by reason of liability imposed by law upon the Palatine Public Library District for damages because of bodily injury, including death, at any time resulting therefrom sustained by any person or persons or on account of damage to property, including loss of use thereof, arising out of or in consequence of the performance of this Work, whether such injuries to persons or damage to property be due to the negligence of the Bidder or his Subcontractors."

The Bidder agrees to purchase a policy of insurance which shall include the Palatine Public Library District as an additional insured or provide separate coverage for the Library District with an owner's protective policy.

All such insurance must include an endorsement whereby the insurer agrees to notify the Department at least thirty (30) days prior to non-renewal, reduction or cancellation. The Bidder shall cease operations on the project if the insurance is canceled or reduced below the required amount of coverage. All costs for insurance as specified herein will not be paid for separately, but shall be considered as incidental to the contract.

30. WORKERS COMPENSATION ACT

The Bidder further agrees to insure his employees and their beneficiaries and to the employees and the beneficiaries of any subcontractor employed from time to time by him on said Work, the necessary first-aid, medical, surgical, and hospital services and any compensation provided for in the Workers Compensation Act of the State of Illinois that is or may be in force in the State.

Such insurance shall be placed by said Bidder in a company or association (to be approved by the Library District and to be accepted by the Board of Library Trustees) authorized under the laws of the State of Illinois to insure the liability above specified.

Said Bidder hereby further agrees to indemnify, keep and save harmless said Library District from all action, proceedings, claims, judgments, awards, and costs, loss, damages, expenses, and attorney's fees which may in any way come against said Library District by reason of any accidental injuries or death suffered by any of his employees or the employees of any subcontractor employed by him in and about the performance of the Work provided for in the contract, and any and all liability resulting thereupon; and said Bidder, in case of any suit, action, or proceeding on account of any or all of the foregoing shall defend the same for and on behalf of said Library District and indemnify the Library District therefore, and pay the amount of any and all awards and final judgments and orders rendered and entered therein, together with all loss, costs, damages, attorney's fees, and expenses incurred therein. Said Bidder shall be the sole employer of its employees and workers, and in no way so shall the Library District be considered a joint employer of same under any circumstance.

31. SUBLETTING OR ASSIGNMENT OF WORK

If the Bidder sublets the whole or any part of the Work to be done under the contract, with or without the written consent of the Library District, he shall not, under any circumstances, be relieved of his liabilities and obligations. All transactions of the Library District shall be with the Bidder; subcontractors shall be recognized only in the capacity of employees or workmen and shall be subject to the same requirements as to character and competence. In case any party or parties, to whom any work under the contract shall have been sublet, shall disregard the directions of the Library District or his duly authorized representatives, or shall furnish any unsatisfactory Work or shall fail or refuse in any way to conform to any of the provisions or conditions of the contract, then in that case, upon the written order of the Library District, the Bidder shall require said party or parties in default to discontinue Work under the contract. Said Work shall be corrected or made good and shall be continued and completed by the said Bidder or by such other party or parties as are approved by the Library District, in the manner and subject to all of the requirements specified in the contract.

32. PROSECUTION OF WORK

The Bidder shall begin the Work to be performed under the contract no later than May 1, 2018 unless otherwise provided. The Work shall be conducted in such a manner and with sufficient materials, equipment and labor as is considered necessary to insure its completion by June 1, 2018. The Bidder shall solely be fully responsible for complying with State and local prevailing wage requirements in accordance with the Bidders Certification, and for all wage rate and hour regulations and applications.

33. GUARANTEE AND MAINTENANCE OF WORK

The Bidder shall guarantee the Work to be free from defects of any nature for a period of one year from and after the final acceptance and payment for the Work by the Library District, and the Bidder shall maintain said Work and shall make all needed repairs and/or replacements during this one year period which in the judgment of the Executive Director, may be necessary to insure the delivery of the Work to the Library District in first-class condition and in full conformity with the plans and specifications therefore, at the expiration of the guarantee period.

Explanations COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.
