Land Acknowledgement

We acknowledge that the Palatine area was originally inhabited by the Algonquian people including the Myaamia (Miami) and Bodewadmi (Potawatomi). Native groups including Hoocak (Winnebago/Ho'Chunk) and the Kiiikaapoi (Kickapoo) also have ancestral ties to the area. The Bodewadmi had the most extensive presence in the Palatine area and there are reports of interactions between them and European settlers in the 19th century. These native groups were stewards of the land until their removal from the area under the terms of the Treaty of Chicago in 1833. White settlers occupied their native lands in the Palatine area beginning in the 1830s and native people were gradually erased.
