

Why Have Noise Zones?

Everyone who visits the Palatine Public Library District deserves a great place to read, work and socialize.

In an effort to better serve our patrons, the Main Library is designating zones which permit different noise levels and activities.

Please Remember

The Library is here for everyone.

All visitors have the right to read, work and socialize at the Palatine Public Library District without unnecessary disturbance or distraction. Respecting the rights of others is a priority.

Choose the zone that is appropriate for your needs and please be considerate of others around you.

If you have any questions or comments please contact a Library staff member.
