About the Library Referendum

Palatine Public Library District Board of Trustees has voted to place a referendum on the ballot on April 2, 2019. This referendum asks voters to approve a limiting rate increase on the Library's property tax levy of 0.075. This amount will provide for all of the Library's financial needs through 2035. The Library's limiting rate would go from 0.276 in 2017 to 0.351 in 2019. **For a median home value in our Library District, the estimated increase in annual taxes is \$52.**

In the 44 years since the Library became a District, the Board has never asked for an operating rate increase.

Why We Need Your Help

The Main Library building is 25 years old and the facility systems are aging past their life expectancy. To address the facility issues, **the Library needs over \$5.8 million in the next six years.** Although the Library has nearly \$1 million in capital reserves, this amount will not cover all the costs and keep the doors open at the same time.

Most urgent capital project needs:

- significant portion of roof needs replacement
- updates to failing HVAC system
- upgrades to energy-efficient lighting

IF NO – THE REFERENDUM FAILS

In order to address \$5.8 million in capital improvements, the Library will be **forced to cut services:**

REDUCE hours and days of service at Main Library and Branches

SHRINK budget for purchase of new materials available for check-out, resulting in longer wait times

LIMIT state-of-the art software and equipment thereby failing to meet the demands of growing technology

DECREASE partnerships and outreach programs that impact school students and underserved populations

IF YES – THE REFERENDUM PASSES

The Library will be able to offer:

MORE preparedness to **maintain our facilities and remain good stewards** of taxpayer dollars

MORE service hours for your convenience

MORE collaborative spaces and study rooms to accommodate students, entrepreneurs, and groups

MORE investments in **new technology** and bandwidth to keep up with advances

MORE collaboration and partnerships with schools, businesses, and local organizations to serve our diverse community

MORE new **books, movies, music**, downloadable content, games, and resources
