

Today's CD:

This is Fun! by Caspar Babypants

This week's literacy tip:

Music promotes language acquisition, listening skills, memory, and motor skills. Songs introduce new words, often ones that rhyme or repeat, which makes them easy to learn. Singing also facilitates bonds between adult and child.

Action Song: **Open, Shut Them**

Open, shut them. Open, shut them. Give a little clap!
Open, shut them. Open, shut them. Put them in your lap

Creep them, creep them, creep them, creep them,
right up to your chin!

Open wide your smiling mouth, but do not let them in!

Creep them, creep them, creep them, creep them
past your cheeks and chin.

Open wide your smiling eyes. Peeking in, boo!

Creep them, creep them, creep them, creep them,
right down to your toes.

Let them fly up in the air, and BOP you on the nose!

Repeat first two lines.

Shaker Song: **If You're Happy and You Know it**

If you're happy and you know it, give a shake
If you're happy and you know it, give a shake
If you're happy and you know it and you really want to show
it If you're happy and you know it, give a shake
